

Recommended Project Plan

Interactive Assessment Lab

A focused, immersive multi-step interface where the AI Strategist (represented by the glowing orb) interviews the user. It features real-time data visualization of the user's 'funding probability' as they answer questions about their revenue, business credit, and industry.

Suggested Files:

- AssessmentLayout.tsx
- AiConversationalOrb.tsx
- DynamicProgressBar.tsx
- QuestionRenderer.tsx
- LiveEligibilityChart.tsx
- assessment-store.ts

Entrepreneur Funding Dashboard

A high-end bento grid command center showing the user's current readiness score, identified 'Banker Red Flags', and a checklist of required documents. It uses dark mode aesthetics with neon accents to highlight critical funding gaps.

Suggested Files:

- DashboardHome.tsx
- BentoGridContainer.tsx
- ReadinessScoreGauge.tsx
- RedFlagAlerts.tsx
- NextStepsTimeline.tsx
- useDashboardData.ts

AI Document Audit Vault

A secure portal where users upload financial statements. The AI performs a 'pre-underwriting' scan, highlighting discrepancies or missing data that would cause a traditional banker to reject the application.

Suggested Files:

- VaultLayout.tsx
- SmartUploader.tsx
- AuditResultsList.tsx
- DocumentCategorizer.tsx
- SecurityEncryptionBadge.tsx
- pdf-parser-util.ts

Precision Lender Matcher

A marketplace view that filters lenders based on the AI's analysis. Instead of a generic list, it shows 'Match Confidence' percentages and specific reasons why the user fits a particular lender's current 'buy box'.

Suggested Files:

- LenderMarketplace.tsx
- LenderCard.tsx
- MatchLogicSidebar.tsx
- ProbabilityBadge.tsx
- RoutingActionButton.tsx
- lender-api.ts

Strategist Handoff Portal

A bridge page for users who have completed the AI workflow and are ready to speak with a human advisor. It summarizes the AI's findings into a 'Funding Brief' that can be shared instantly with human strategists or lenders.

Suggested Files:

- HandoffCenter.tsx
- BriefGenerator.tsx
- AdvisorScheduler.tsx
- BriefExportButton.tsx
- SummaryStatistics.tsx
- email-service.ts
